

Good News about E-Transfer Payments!

E-Transfers (aka email transfers) now go direct into the bank, and they now reveal the name of the sender on the notice to us!

This suddenly puts them as one of the best methods of payment as it means faster processing times!

If you would like to pay by E-Transfer, the email to use is:

Payments@GreenSupplyHouse.com

Important Related Notes:

- **If you currently are set up as credit card on file and would like to change to E-Transfer, please let us know so that we change the notification in our computer and ensure both methods are not applied.**
- For those using **EFT (Electronic Funds Transfers)** that also works well – likely no reason to change unless you want to.
- For those who send Cheques:
Sadly the regular (snail) mail is probably going to have to be renamed as Sloth-mail.

While we are happy to accept cheques if that is your preference, **please be aware that if accounts are past due, it negates many discounts that we try to offer, and causes delays in order processing.**

Thank-you always for your support!

Please contact us if you have any questions.
